RESOLUTION – CITY OF VIENNA

WHEREAS natural, technological, and man-made hazards can affect City of Vienna; and

WHEREAS significant structural, historical, and economic losses could result from an occurrence of a natural, technological, or man-made hazard events; and

WHEREAS undertaking mitigation projects during pre-disaster periods could decrease the total losses Vienna incurs as a result of said hazard occurrences.

AND WHEREAS the Vienna City Council has a strong interest in reducing losses from future hazard occurrences; and

WHEREAS the hazard mitigation plan is a federal and state requirement to maintain eligibility for hazard mitigation funding, and, by that requirement, must be updated a minimum of every five years; and

WHEREAS a cooperative, joint effort is a proven, efficient way to plan for and reduce hazard susceptibility in all government jurisdictions in the Mid-Ohio Valley region of West Virginia.

THEREFORE, the Vienna City Council has partnered with the county to update the existing *Mid-Ohio Valley Regional Hazard Mitigation Plan* in an effort to further identify, define, and characterize the hazards affecting the city as well as to continue identifying and prioritizing projects that could lessen hazard vulnerability.

NOW BE IT RESOLVED THAT the Vienna City Council does hereby adopt the updated *Mid-Ohio Valley Regional Hazard Mitigation Plan* this _____ day of _____, 20____.
